Breakfast and after school clubs from September 2020

Dear Parent/Career

I am writing to you to inform you of our plans regarding breakfast clubs and after school clubs when we return after the summer holidays. Please be aware that we have had to make several changes to how we operate as a school and we will not be able to return to normal in all areas.

Breakfast clubs

These will run at the Infants and Juniors each morning but will be limited to invited parents only until after October half-term. We have had to drastically reduce the number of spaces available and as a result we are not able to open this up to all parents at this stage. Should we have any spaces at the start of the new year, these will be opened up to all parents from week beginning **24th August 2020**. We write to you again next term regarding how breakfast clubs will operate after October half term.

After school clubs

We will be running some after school clubs that the children are familiar with. We are not able to guarantee that an after school club will run every day after school at this stage. We are talking to Rising Stars and Tasha from Leicester Kickboxing about running clubs in September for a limited number of children, and working within the limits of our risk assessments. We will communicate a full list of these when the children return to school.

We understand and appreciate the inconvenience caused but we hope that the above information will give you sufficient time to make alternative arrangements where necessary.

Mr D Hansen,

Vice Principal
