REMINDERS

Year 5 -
Bikeability

Secondary school applications:

All parents of children in year 6 have received their letters to apply for secondary school places. If you did not receive a letter please contact the school office. Secondary schools are holding open evenings this month and into October, if you are unsure which school to apply for you should visit on an open evening. The deadline for completing the application is the **31st October 2021**. If you would like some support with this please contact Mrs Newnham or your child's class teacher via dojo.

We will soon be getting ready for harvest and thinking those less fortunate. Please could you start collecting any tinned or packet foods you would be happy to donate. Year 2 children will be giving you more information in next weeks newsletter!

NURSERY ADMISSION SEPTEMBER 2022

If your child's birthday falls between **1st September 2018 – 31st August 2019**, then they will be eligible for a place at Nursery in September 2022. If you would like your child to be considered for our Nursery please read our 'Nursery Admissions Process'. You will find all of this information and the application form on our website @ [Admissions - Kestrel Mead Primary Academy | Leicester | TMET \(kestrel-tmet.uk\)](#)

Please ensure you also apply to other Nurseries of your choice, as places with us are limited and cannot be guaranteed.

School readiness support and links can also be found @ [Family Information | School readiness \(leicester.gov.uk\)](#)

Year 5 Bikeability training

Year 5 have been extremely busy working on their level 1 and level 2 cycling training, which they are now two-thirds of the way through. They have been working hard to learn to cycle independently in our playground, before being taken out onto the road to learn how to ride safely. We can now pull out of side roads safely and successfully navigate around the roads in our community. Cycling is a life skill, so it is so important that our children get the training to do this safely! Keep up the good work everyone.

Pupil Passports and Learning Passports

Next week (w/c 20th September) you should be receiving your child's pupil passport via class dojo. This passport will show you 3 targets that have been identified by your child and their class teacher. They will be working on these 3 SMART targets for the first term and then moving forward they will be assessed and new targets will be set according to their needs.

New to 2021, your child will also be receiving a learning passport where they can take ownership of their own learning and understand their own targets. The teacher will be taking time to go through these targets with them and they will be monitoring the targets themselves and setting themselves goals to succeed.

Chat to your child at home and ask them whether they know what their 3 targets are!! 😊
