

Resilience

If you were the king or queen for a year, you would need to show great resilience as it is an enormous responsibility. How would you run the country? What changes would you make? What would you do to make our country EVEN better?!

Compassion

King Henry VII and his family didn't show much compassion to one another.

How do you show compassion in your family? Take a photograph or video to demonstrate how you show compassion to other members of your family.
