

Resilience

There are 48 counties in England.

Can you design a quiz for the class to see which counties they can identify?

Compassion

Someone new arrives in Hamilton.

Use compass directions to design your own map to show them how to get from the junior building to the infant building of Kestrels.

KESTREL MEAD
PRIMARY ACADEMY

Homework Heroes

At Kestrel Mead we value our character behaviours and would love to see you promote these at home!

We look forward to seeing what you have done on **Monday 11th December**. Children will share their homework with their class and it will be celebrated by their teacher. You can present this in any way you like and needs to be posted on Class Dojo so that it can be shared with the class.

Big Question:

North, South, East and West...is England all the same?

Little Question:

Are we dependant on technology to give us directions?

The Big question will be your child's current topic. The Little questions will help to develop a moral understanding of the big question and will be focussed on during school. We have included 1 little question for you to think about and discuss at home. Other questions can be found on the knowledge organiser.

Curiosity

Which **counties** in England have you visited? Create a collage on the app called 'Piccollage' to show different places you have visited across England.

Respect

Create a travel brochure highlighting all the fantastic things about living in Leicester. Eg, castles, museums, shopping, parks, leisure centres, national attractions (Space centre).

How can I support my child's learning in English and Maths?

Weekly Spellings

These are taught on a **Monday** and tested on a **Friday**. A complete list of your child's spellings can be found on the website. Weekly spelling practise can be done using the Spelling Shed website.

Daily reading: Reading for Pleasure has the biggest impact on reading attainment! Please encourage your child to read their school reading book each day. Daily reading will be rewarded with dojos and different rewards over the year!

Maths: Times Tables Rockstars – keep practising at home and see if you can move up the school leader board. Will you be one of our school rockstars?

Also look on our school website for some fun activities to do to improve your Maths.
