

Resilience

Create your own rainforest.

Be as creative as you can,
you could start with a
cardboard box and toilet
rolls.

Compassion

Draw a picture of creature
that lives in the Amazon
Rainforest.

Add facts about the animal
around the picture.

KESTREL MEAD
PRIMARY ACADEMY

Homework Heroes

At Kestrel Mead we value our character behaviours and would love to see you promote these at home!

We look forward to seeing what you have done on Monday 18th December.

Children will share their homework with their class and it will be celebrated by their teacher.

You can present this in any way you like and needs to be posted on Class Dojo so that it can be shared with the class

Topic: Rainforests

Why should we save the rainforest?

Little Questions:

How can we use our voice to make a positive change?

Why is it important to explore the world around me?

What is happening to the rainforest and why?

Why should we value the rainforest?

How can some things be justified?

Curiosity

What is the capital city
of North America?

What is the capital of
Brazil?

Please tell us about the
climate(weather) in each
capital city.

Respect

Suggest 5 ways we could
use less paper.

Record yourself or use
PowerPoint.

How can I support my child's learning in English and Maths?

Weekly Spellings

These are taught on a **Monday** and tested on a **Friday** a complete list of your child's spellings can be found on class dojo for your child to practise at home. They can also practice on spelling shed.

Daily reading: Reading for Pleasure has the biggest impact on reading attainment! Please encourage your children to read regularly and work towards their accelerated reader or STAR reader incentives.

Maths: Timetables rockstars – keep practising at home and see if you can move up the school leader board. Will you be one of our school rockstars?

Also look on our school website for some fun activities to do to improve your maths.
