

## Resilience

Can you learn a new language?

Learning a new language can be tricky and you will need to show lots of resilience. Can you try to learn some new words in a different language? We can have a go at you teaching them to the class.

**KESTREL MEAD**  
PRIMARY ACADEMY

## Homework Heroes

This half term our BIG QUESTION is:

**Why should all trade be fair?**

At Kestrel Mead we value our character behaviours and would love to see you promote these at home!

Here are some ideas for you to explore over the next half term.

We look forward to seeing what you have done on Monday 4<sup>th</sup> December 2023. Children will share their homework with their class and it will be celebrated by their teacher.

You can present this however you like in your homework book or alternatively you could direct message your class teacher on twitter or Class dojo with a photo or video!

## Curiosity

Next time you go to the supermarket have a look for FairTrade produce. It will have a label like the one shown below.

Can you make a list of the items you spotted with the Fairtrade sticker? You could take a picture and show us on Dojo too.

We'd also like you to create a fact sheet about why Fairtrade is important.

## Compassion

It's always important to show compassion to those around us and to ensure we treat people with kindness.

Can you write four positive things about how you see yourself and your "self-image" .

## Respect

There are lots of sports people who work hard to have a healthy lifestyle in many different sports. Playing sports involves showing respect to others, your own team, and other teams.

Can you research a team game and tell us how the sports people show respect to each other to work as part of a team. You can present your work as a poster, in a booklet or however you would like.

## How can I support my child's learning in English and Maths?

### Weekly Spellings

These are taught on a **Monday** and tested on a **Friday** a complete list of your child's spellings can be found on the school website.

Daily reading: Reading for Pleasure has the biggest impact on reading attainment! Please sign your child's reading diary to show you have enjoyed reading with them. Daily reading will be rewarded with dojos and rewards over the year!

Maths: Timestables rockstars - keep practising at home and see if you can move up the school leader board. Will you be one of our school rockstars?

Also look on our school website for some fun activities to do to improve your maths.
