

## Resilience

Create a quiz or a fact file about the history of Romans to test on your friends and the teachers. You can present it however you wish. Can your family answer your questions?

**KESTREL MEAD**  
PRIMARY ACADEMY

## Homework Heroes

This half term our **BIG QUESTION** is:

**How have the Romans influenced our lives today?**

At Kestrel Mead we value our character behaviours and would love to see you promote these at home! We look forward to seeing what you have done on **Monday 13th February**. Children will share their homework with their class and it will be celebrated by their teacher.

You can present this in any way you like and needs to be posted on Class Dojo so that it can be shared with the class. For the foreseeable future, we will not be giving out homework books.

Scientist of the Topic – Thomas Edison and his discovery of the lightbulb

For this piece of homework, can you find out:

- Who they are?
- Where did they grow up?
- What did they study?
- What job did they do/do they do?
- What impact have they had on the world?
- Any other interesting facts?

## Curiosity

Make a mosaic.

## Compassion

The Romans were very brave in battle as well as strong. They were tactical in their attack and defence moves.

The Roman shields were an amazing part of their defence.

Could you create a Roman shield?

## Respect

The Romans were very impressive with the creative in what they made. We still use some of them today. Can you create a PowerPoint or post a video of yourself, stating what the Romans brought to Britain and how these are still used today?

## How can I support my child's learning in English and Maths?

### Weekly Spellings

These are taught on a **Monday** and tested on a **Friday** a complete list of your child's spellings can be found on the school website.

Daily reading: Reading for Pleasure has the biggest impact on reading attainment! Please sign your child's reading diary to show you have enjoyed reading with them. Daily reading will be rewarded with dojos and rewards over the year!

Maths: Timestables rockstars - keep practising at home and see if you can move up the school leader board. Will you be one of our school rockstars?

Also look on our school website for some fun activities to do to improve your maths.
