

Resilience

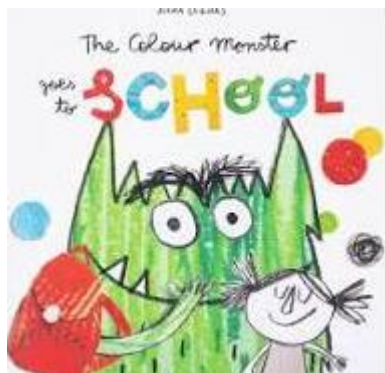

Can you practise writing your name at home? This can be done in many different ways to keep it fun and enjoyable. Start off with just the 1st letter and build as your confidence grows.

Compassion

What two things would you say to the colour monster to stop him worrying about starting school?

KESTREL MEAD
PRIMARY ACADEMY

Homework Heroes

At Kestrel Mead we value our character behaviours and would love to see you promote these at home!

We look forward to seeing what you have done on

Monday 9th October via Tapestry
(titled Homework Heroes Autumn 1)

Children can share their homework on Tapestry and this will be celebrated in class by their Teacher.

Shared Reading Books & Topics

WB: 4.9.23 – The Colour Monster Goes to School

WB: 18.9.23 – The Name Jar

WB: 2.10.23 – Zim Zam Zoom

Every 2-3 weeks we will focus our Shared Reading and Writing sessions on a new book. To support your child, you can talk to them about their current book/topic and ask them questions about what they have been learning at school.

The children will also learn 5 new sight words linked to this book which you can practise at home.

Curiosity

Can you find out more about your family and create a family tree?

Respect

Can you help your parents with some of the jobs at home? Helping to cook dinner or helping with the washing.

How can I support my child's learning in English and Maths?

Weekly Sight Words: These are taught throughout the week during shared and guided reading sessions. You will receive new sight words lolly sticks with each new text. 😊

Daily reading: Reading for Pleasure has the biggest impact on reading attainment! Please sign your child's bingo sheet to show you have enjoyed reading with them. Daily reading will be rewarded with dojos and different rewards over the year!

Maths: we will keep you up to date with the numbers and skills we are learning in school. You can support this at home by doing lots of counting, recognising numerals and number bonds. Also look on our school dojo/twitter pages for some fun activities to do to improve your maths.
