

RECEPTION

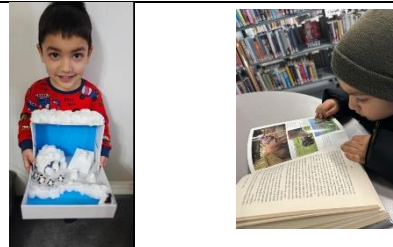

CLASS 1 Omer Abdallah

Omer has shown amazing resilience to make a farm habitat, great curiosity to research about a giraffe, and compassion to make a nice flower garden for the bees.

CLASS 2 Zayaan Sheikh

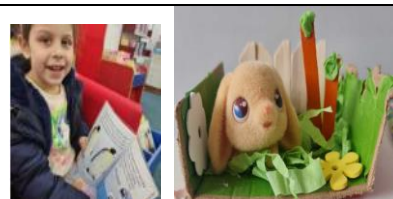

Zayaan has shown great resilience and curiosity with creating his own polar region habitat and researching an African elephant.

CLASS 3 Khalid Ali

Khalid has drawn a habitat for his animal figures. He has also thought about how we can be compassionate for and towards animals.

CLASS 4 Arya-Jasmine

Arya-Jasmine has shown tremendous compassion and curiosity to make a rabbit's habitat which includes grassland, flowers & carrots. The detail showed lots of resilience.
