

Resilience

1. Find and learn 5 key words/phrases from a new language from around the world. For example, Bonjour (hello), Amour (love), Chien (dog), Sourir (smile), Oui (yes). Can you find this country and its continent on the world map?

Compassion

2. Can you create a piece of art with the four different seasons and gift it to someone to make them smile? Don't forget to take a picture and post it on dojo.

KESTREL MEAD
PRIMARY ACADEMY

Homework Heroes

At Kestrel Mead we value our character behaviours and would love to see you promote these at home!

We look forward to seeing what you have done on **9th October**. Children will share their homework with their class and it will be celebrated by their teacher. You can present this in any way you like and needs to be posted on Class Dojo so that it can be shared with the class.

Big Question:

DOES EVERYWHERE IN THE WORLD HAVE 4 SEASONS?

Little Question:

Do all countries experience the same season at the same time?

The Big question will be your child's current topic. The Little questions will help to develop a moral understanding of the big question and will be focussed on during school. We have included 1 little question for you to think about and discuss at home. Other questions can be found on the knowledge organiser.

Curiosity

3. Go for a walk in your local area. How many different types of leaves can you find? Can you find any with different colours? Take a picture and post it onto dojo.

Respect

4. With an adult at home, cook a meal that you would make in one of the seasons. Remember to include what it is, and which season you would make it in. Take picture and post it on dojo.

How can I support my child's learning in English and Maths?

Weekly Spellings

These are taught on a **Monday** and tested on a **Friday** a complete list of your child's spellings can be found on the website.

Daily reading: Reading for Pleasure has the biggest impact on reading attainment! Please sign your child's bingo sheet to show you have enjoyed reading with them. Daily reading will be rewarded with dojos and different rewards over the year!

Maths:

Work on recognising numbers and counting forwards and backwards to 100.
