

Resilience

1. Can you make a fire engine out of different materials? Can you describe your fire engine?

Compassion

3. Can you make a family kindness jar?

KESTREL MEAD
PRIMARY ACADEMY

Homework Heroes

At Kestrel Mead we value our character behaviours and would love to see you promote these at home!

We look forward to seeing what you have done on **Monday 24th**

April.

Children will share their homework with their class and it will be celebrated by their teacher.

You can present this in any way you like and needs to be posted on Class Dojo so that it can be shared with the class. For the foreseeable future, we will not be giving out homework books.

Big Question:

Is fire always dangerous?

Little Question:

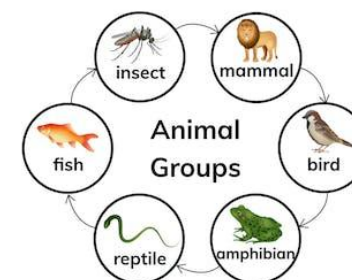

Whose responsibility is fire safety?

The Big question will be your child's current topic. The Little questions will help to develop a moral understanding of the big question and will be focussed on during school. We have included 1 little question for you to think about and discuss at home. Other questions can be found on the knowledge organiser.

Curiosity

2. Which animal would you like to be and why? Think about the characteristics and the features your animal. Which animal group does it belong to?

Respect

4. Can you create a Fire Safety poster?

How can I support my child's learning in English and Maths?

Weekly Spellings

These are taught throughout the week and tested on a **Monday**. Spellings will be sent out on a Monday for the following week. Some children will have different spellings and these will be given to the parents by hand.

Daily reading: Reading for Pleasure has the biggest impact on reading attainment! Please sign your child's bingo sheet to show you have enjoyed reading with them. Daily reading will be rewarded with dojos and different rewards over the year!

Maths:

Practise counting in 2s, 5s and 10s. Can you remember doing division and sharing between 2 people? How many were in each group? Can you also remind children how many tens/ones are in different numbers? Can you practice telling the time using the phrases o'clock and half past?
