

Resilience

Please have a go at practising your sewing skills – using running stitch or over stitch. Alternatively have a go at weaving using paper.
You will need to demonstrate resilience whilst mastering these skills.

KESTREL MEAD
PRIMARY ACADEMY

Homework Heroes

This half term our **BIG QUESTION** is:

How can I be a creative designer?

At Kestrel Mead we value our character behaviours and would love to see you promote these at home! We look forward to seeing what you have done on **Monday 15th April**. Children will share their homework with their class and it will be celebrated by their teacher.

You can present this in any way you like and needs to be posted on Class Dojo so that it can be shared with the class. For the foreseeable future, we will not be giving out homework books.

Scientist of the Topic – Robert Boyle and his discovery that sound cannot travel through space

For this piece of homework, can you find out:

- Who they are?
- Where did they grow up?
- What did they study?
- What job did they do/do they do?
- What impact have they had on the world?
- Any other interesting facts?

Curiosity

Can you research different designers?

Can you find out who created different items?

Can you find famous designers who made your favourite things?

What did they have to do in order to design them?

Compassion

Design a pillow for someone in your family.

What will be on the design?

Why?

Think about what things they like and what materials you would use.

Draw and label your design.

Respect

Look at this toy and evaluate the product.

What do you like about it and why? What would you change about it and why?

How can you evaluate whilst showing respect to the designer?

How can I support my child's learning in English and Maths?

Weekly Spellings

These are taught on a **Monday** and tested on a **Friday** a complete list of your child's spellings can be found on the school website.

Daily reading: Reading for Pleasure has the biggest impact on reading attainment! Please sign your child's reading diary to show you have enjoyed reading with them. Daily reading will be rewarded with dojos and rewards over the year!

Maths: Timestables rockstars – keep practising at home and see if you can move up the school leader board. Will you be one of our school rockstars?

Also look on our school website for some fun activities to do to improve your maths.
