

## Resilience

Imagine somebody new is starting in our class. Can you design a poster to show them all the different ways we show resilience in Year 5?

Can you research some famous people that have shown resilience and include them in your poster?

**KESTREL MEAD**  
PRIMARY ACADEMY

## Homework Heroes

This half term our BIG QUESTION is:

### Is the world actually flat?

At Kestrel Mead we value our character behaviours and would love to see you promote these at home!

Here are some ideas for you to explore over the next half term.

We look forward to seeing what you have done on Monday 9<sup>th</sup> October 2023. Children will share their homework with their class and it will be celebrated by their teacher.

You can present this however you like and share your work on Class Dojo for your teacher and class mates to see.

## Curiosity

Pluto was removed from the main planets of the solar system. Why was this? Can you find any other planets similar to Pluto? Can you list their names and find out some interesting facts about them.

## Compassion

Compassion is about showing people kindness in a time when they are finding things hard. Could you create an 'Acts of Kindness' jar where you could offer random acts of kindness to either the people you live with, or the wider community.

These could small or big gestures.

Then you could choose one per day to carry out.

## Respect

Make a list of people you think are respectful and the different ways they show respect. These can be famous people or people that you know.

## How can I support my child's learning in English and Maths?

### Weekly Spellings

These are taught on a **Monday** and tested on a **Friday** a complete list of your child's spellings can be found on the school website.

Daily reading: Reading for Pleasure has the biggest impact on reading attainment! Please sign your child's reading diary to show you have enjoyed reading with them. Daily reading will be rewarded with dojos and rewards over the year!

Maths: Timestables rockstars - keep practising at home and see if you can move up the school leader board. Will you be one of our school rockstars?

Also look on our school website for some fun activities to do to improve your maths.
