

Resilience

As muslim leaders from the early Islamic civilisation conquered new lands, they needed places to pray and so mosques were built.

Your challenge is to find out about some of the most famous mosques from around the world and produce a presentation to show your findings. You may wish to make a leaflet or even a model of the mosque you learnt about.

KESTREL MEAD
PRIMARY ACADEMY

Homework Heroes

This half term our BIG QUESTION is:

How has the Early Islamic Empire influenced our lives today?

At Kestrel Mead we value our character behaviours and would love to see you promote these at home!

We look forward to seeing what you have done on Monday 15th April 2024. Children will share their homework with their class and it will be celebrated by their teacher.

Scientist of the Topic – Maria Merian

For this piece of homework, can you find out:

- Who they are?
- Where did they grow up?
- What did they study?
- What job did they do/do they do?
- What impact have they had on the world?
- Any other interesting facts?

Curiosity

For your curiosity homework this term, we would like you to investigate Islamic art patterns and present them in a creative way.

You could use a range of materials and present your skills looking at shape and pattern, colour mixing, repeated patterns, and colour combinations.

Compassion

There were a lot of discoveries during the early Islamic civilisation period. Including discoveries that show compassion to others.

Research one of them and how it is linked to compassion.

Respect

Demonstrate (however you would like) how you think the scholars who travelled to The House of Wisdom showed respect to each other.

How can I support my child's learning in English and Maths?

Weekly Spellings

These are taught on a **Monday** and tested on a **Friday** a complete list of your child's spellings can be found on the school website.

Daily reading: Reading for Pleasure has the biggest impact on reading attainment! Please sign your child's reading diary to show you have enjoyed reading with them. Daily reading will be rewarded with dojos and rewards over the year!

Maths: Timestables rockstars – keep practising at home and see if you can move up the school leader board. Will you be one of our school rockstars?

Also look on our school website for some fun activities to do to improve your maths.
